The 2004 Board has passed on valuable information for continued progress on long-term issues still unresolved. A special thanks goes out to Laurie Ferguson for providing a detailed record of items such as contacts for City and County Officials, along with correspondence, notes and so forth established by the 2004 Board.

The 2005 Board are very interested in hearing what the community's concerns are. And also to determine what issues and comments our neighbors have. It's the holidays and everyone is getting more goodies in the mail. Be on your toes!!! The last two weekends there have signs of mail theft. Just a reminder to pick up your mail as early in the day as possible.

## **Fire Station on Elm**

Would you like to see the Old Fire Station on Elm get a 'Face-Lift'? If you are interested in a new look, there is a sign up sheet to show your support! Please sign up to volunteer some of your time towards something we can all enjoy!! We are hoping that all carpenters, electricians, gardeners, artists and general laborers will participate.

If you would like to see the photos of what our fire station could look like or sign a sign-up sheet to help, please **Email Sue directly at lakehodesreality@cox.net**

The new Board has agreed to back this project and is working on a 'Budget' to present to the Del Dios Water Company for their consideration.

## **Town Clean - up**
